Beginners Guidance

1. Awkward -- On your first or second day, you might feel very awkward. That is because you are not used to it. But, that's very normal. If not, you are lucky. Do not let feeling awkward make you want to give up. After about a week or two, that feeling will go away and you will feel great!

2. Sore -- You will definitely feel sore tomorrow. This is because you are using muscle groups that you have not used before. If you are sore, it means that you need martial arts more than anybody. You are lucky because your body needs a tune up. After one or two weeks, the soreness will go away and you will love it! You will feel healthier and stronger!

3. Set Clear Goals -- The most important thing that I have to explain to you is that, **if you don't eat for 40 days, you will die of starvation.**

If you don't drink water for four days, you will die of dehydration.

If you don't breathe for 4 minutes, you will die of suffocation.

If you don't have hope for 4 seconds, you will die of desperation.

How do you find hope?

You have to keep your dreams alive! And how do you keep your dreams alive? You have to set clear and positive goals. With Martial Arts World, your goal is to become a certified instructor. Why do you want to become a certified instructor? So you can become healthier, wiser, more confident, wealthier, and happier; and live a truly successful life.

4. Why and How – Your instructor will explain why and how to do each technique.

5. Rules and Regulations – Your instructor will explain the rules and regulations at Martial Arts World. For reference, please refer to pages 8-13 in the MAW White Belt Curriculum book. Every place you go has rules and regulations, even Martial Arts World. Without rules and regulations in an organization, there would be chaos.

6. How to move into color belt class – First, you will have to tip-test for basic punches, kicks, and blocks; breaking technique; and positive attitude. Every 7 weeks, we have a promotion test. Your instructor will give you notice when you are eligible to test. Once you achieve yellow belt, you will be able to join color belt classes.

Fun! Exciting! Meaningful! Beneficial!
