# 9 Ways to be Rich and Happy

-Successful people think differently-

**1. I am a genius and positive!**

*I can do anything I set my mind to do!*

**2. I am positively greedy and confident!**

*Financial success will be mine!*

**3. I am crazy and intelligent!**

*Success is on my side!*

**4. I choose the right friends!**

*I open the door to opportunity!*

**5. I let money follow me!**

*I build financial power!*

**6. I make more and spend less!**

*I have financial freedom!*

**7. I invest for success!**

*My money will grow while I sleep!*

**8. I create ventures!**

*I can open the door to be a billionaire!*

**9. I ask “Why?” and, “How?”**

*I turn crisis into opportunity. I will be rich and happy!*

I put *The 9 Ways to be Rich and Happy* into action and never give up until they are my habits, so that money will follow me. I will be rich and happy.
